

Programmers of the month

Scoring Criteria:

1. All Codeforces rated contests (div. 2 and div 3) will be counted
2. The score a registered contestant gets from a rated contest will be directly added to their

Codeforces Round #808 (Div. 2)

Final standings

	=	*	A 500
	3569		494 00:03
	2662		492 00:04
	2636		490 00:05
	1304		468 00:16

corresponding “Programmer of the Month” score. However, this scoring system is not present in Education and div. 3 rounds. So, we’ll count this following score: The colored numbers denote the number of problems solved in that contest.

Scoring									
CF div 2	CF score								
	1	2	3	4	5	6	7	8	
EDU div 2	500	1250	2250	3750	5500	7500	9750	12250	- penalty
CF div 3	250	750	1500	2500	3750	5250	7000	9000	-penalty
